TENtec

A detailed map of Central Europe, focusing on Switzerland, Germany, France, and Italy. The map uses a color-coded system to represent different types of roads: red for major highways, orange for secondary roads, and yellow for tertiary roads. Major cities are marked with black dots and labeled, including Bern, Zurich, Frankfurt, and Rome. The map also shows a network of rivers and lakes, and a scale bar at the bottom indicating distances from 0 to 100 km.
