## **COUNCIL DECISION**

**on the signing, on behalf of the European Union and its Member States, and provisional application of a Protocol amending the Euro-Mediterranean Aviation Agreement between the European Union and its Member States, of the one part, and the government of the State of Israel, of the other part, to take account of the accession to the European Union of the Republic of Croatia**

## **EXPLANATORY MEMORANDUM**

### **1) CONTEXT OF THE PROPOSAL**

- **Grounds for and objectives of the proposal / general context**

The Euro-Mediterranean Aviation Agreement between the European Union, its Member States and the State of Israel was negotiated on the basis of the Council Decision adopted in April 2008 authorising the opening of negotiations. The Agreement was signed on 10 June 2013.

The Republic of Croatia acceded to the European Union on 1 July 2013. Pursuant to Article 6(2) of the Act concerning the Conditions of Accession, Croatia undertook to accede to the agreements concluded or signed by the Member States and the Union with one or more third countries or an international organisation.

The simplified procedure applies to accession to the above mentioned agreement with Israel. A Protocol should thus be signed in accordance with that procedure and with Article 218(5) of the Treaty on the Functioning of the European Union.

The Protocol provides for the necessary linguistic adaptations of the Agreement that ensue from the accession of Croatia.

- **Existing provisions in the area covered by the proposal**

The provisions of the Protocol supersede or complement the provisions in the Euro-Mediterranean Aviation Agreement between the European Union, its Member States and the State of Israel.

- **Consistency with other policies and objectives of the Union**

The Agreement with Israel, a key aviation partner in the Mediterranean region, is an important achievement in the process of establishing a Common Aviation Area between the EU and its Southern and Eastern neighbours. It forms part of the Union's external aviation policy framework established by the Commission Communication COM(2005)79: "Developing the agenda for the Community's external aviation policy" and recently reviewed by the Commission Communication COM(2012)556: "The EU's External Aviation Policy - Addressing Future Challenges" and the corresponding Council Conclusions.

- **Legal basis**

Article 100(2) and Article 218(5) of the Treaty on the Functioning of the European Union in conjunction with Article 6(2) of the Act of Accession.
