DECISION No ... OF THE EU-ISRAEL ASSOCIATION COUNCIL

of

replacing Protocol 4 to the Euro-Mediterranean Agreement establishing an association between the European Communities and their Member States, of the one part, and the State of Israel, of the other part, concerning the definition of the concept of 'originating products' and methods of administrative cooperation

THE EU-ISRAEL ASSOCIATION COUNCIL,

Having regard to the Euro-Mediterranean Agreement establishing an association between the European Communities and their Member States, of the one part, and the State of Israel, of the other part¹, and in particular Article 28 thereof,

Having regard to Protocol 4 to the Euro-Mediterranean Agreement establishing an association between the European Communities and their Member States, of the one part, and the State of Israel, of the other part, concerning the definition of the concept of 'originating products' and methods of administrative cooperation,

Whereas:

- (1) Article 28 of the Euro-Mediterranean Agreement establishing an association between the European Communities and their Member States, of the one part, and the State of Israel, of the other part ('the Agreement') refers to Protocol 4 to the Agreement ('Protocol 4') which lays down the rules of origin and provides for cumulation of origin between the European Union, Israel and other Contracting Parties to the Convention.
- (2) Article 39 of Protocol 4 provides that the Association Council provided for in Article 67 of the Agreement may decide to amend the provisions of this protocol.
- (3) The Regional Convention on pan-Euro-Mediterranean preferential rules of origin² ('the Convention') aims to replace the protocols on rules of origin currently in force among the countries of the pan-Euro-Mediterranean area with a single legal act.
- (4) The European Union and Israel signed the Convention on 15 June 2011 and 10 October 2013 respectively.
- (5) The European Union and Israel deposited their instruments of acceptance with the depositary of the Convention on 26 March 2012 and 28 August 2014 respectively. Consequently, in application of Article 10(3) of the Convention, the Convention entered into force in relation to the European Union and Israel on 1 May 2012 and on 1 October 2014 respectively.
- (6) Protocol 4 should therefore be replaced by a new protocol making reference to the Convention.
