ANNEX II

List of goods referred to in Articles 3 and 4

Introductory Note:

The 'CN codes' in this Annex refer to codes specified in Part Two of Annex I to Council Regulation (EEC) No 2658/87 ~~of 23 July 1987 on the tariff and statistical nomenclature and on the Common Customs Tariff~~¹.

Where 'ex' precedes the CN code, the goods covered by this Regulation ~~(EC) No 1236/2005~~ constitute only a part of the scope of the CN code and are determined by both the description given in this Annex and the scope of the CN code.

Notes:

1. Items 1.3 and 1.4 in Section 1 concerning goods designed for the execution of human beings do not cover medical-technical goods.
2. The object of the controls contained in this Annex should not be defeated by the export of any non-controlled goods (including plant) containing one or more controlled components when the controlled component or components are the principal element of the goods and can feasibly be removed or used for other purposes.

NB: In judging whether the controlled component or components are to be considered the principal element, it is necessary to weigh the factors of quantity, value and technological know-how involved and other special circumstances which might establish the controlled component or components as the principal element of the goods being procured.

CN code	Description

ANNEX III

List of goods referred to in Article 5 11

Introductory Note:

The CN codes in this Annex refer to codes specified in Part Two of Annex I to Regulation (EEC) No 2658/87 ~~on the tariff and statistical nomenclature and on the Common Customs Tariff.~~

Where 'ex' precedes the CN code, the goods covered by this Regulation (EC) No 1236/2005 constitute only a part of the scope of the CN code and are determined by both the description given in this Annex and the scope of the CN code.

Notes:

1. The object of the controls contained in this Annex should not be defeated by the export of any non-controlled goods (including plant) containing one or more controlled components when the controlled component or components are the principal element of the goods and can feasibly be removed or used for other purposes.
NB: In judging whether the controlled component or components are to be considered the principal element, it is necessary to weigh the factors of quantity, value and technological know-how involved and other special circumstances which might establish the controlled component or components as the principal element of the goods being procured.
2. In some instances chemicals are listed by name and CAS number. The list applies to chemicals of the same structural formula (including hydrates) regardless of name or CAS number. CAS numbers are shown to assist in identifying a particular chemical or mixture, irrespective of nomenclature. CAS numbers cannot be used as unique identifiers because some forms of the listed chemical have different CAS numbers, and mixtures containing a listed chemical may also have different CAS numbers.

CN code	Description
	1. <i>Goods designed for restraining human beings, as follows:</i>

Part 3 — Conditions and requirements for using this general export authorisation

- (1) This general export authorisation may not be used if:
- (a) the exporter has been prohibited from using this general export authorisation in accordance with Article ~~8~~ 20(1) of Regulation ~~(EC) No 1236/2005~~ (EU) [...];
 - (b) the competent authorities of the Member State in which the exporter is resident or established, have informed the exporter that the goods in question are or may be intended, in their entirety or in part, either for re-export to a third country or to be used for the purpose of capital punishment in a third country;
 - (c) the exporter knows or has reasonable grounds to believe that the goods in question are intended, in their entirety or in part, either for re-export to a third country or to be used for the purpose of capital punishment in a third country;
 - (d) the relevant goods are exported to a customs free zone or free warehouse which is located in a destination covered by this general export authorisation;
 - (e) the exporter is the manufacturer of the medicinal products in question and has not made a legally binding agreement with the distributor requiring the latter to make all supplies and transfers subject to the conclusion of a legally binding agreement requiring, preferably subject to a dissuasive contractual penalty, the customer
 - (i) not to use any of the goods received from the distributor for capital punishment;
 - (ii) not to supply or transfer any of these goods to a third party, if the customer knows or has reasonable grounds to believe that the goods are intended to be used for the purpose of capital punishment; and
 - (iii) to impose the same requirements on any third party to which the customer might supply or transfer any of these goods.
 - (f) the exporter is not the manufacturer of the medicinal products in question and has not obtained a signed end-user declaration from the end-user in the country of destination;
 - (g) the exporter of medicinal products has not concluded a legally binding agreement with the distributor or end-user requiring, preferably subject to a dissuasive contractual penalty, the distributor or, if the agreement was concluded by the end-user, the end-user to obtain prior authorisation from the exporter for
 - (i) any transfer or supply of any part of the shipment to a law enforcement authority in a country or territory that has not abolished capital punishment;
 - (ii) any transfer or supply of any part of the shipment to a natural or legal person, entity or body procuring relevant goods for or providing services involving use of such goods to such a law enforcement authority, and

- (iii) any re-export or transfer of any part of the shipment to a country or territory that has not abolished capital punishment; or
 - (h) the exporter of goods other than medicinal products has not concluded a legally binding agreement referred to in point (g), with the end-user.
- (2) Exporters that use this general export authorisation EU GEA ~~1236/2005~~ [...] shall notify the competent authorities of the Member State where they are resident or established of their first use of this general export authorisation no later than 30 days after the date when the first export took place.

Exporters shall also report in the customs declaration the fact that they are using this general export authorisation EU GEA ~~1236/2005~~ [...] by indicating in box 44 the relevant code found in the TARIC database.
- (3) Reporting requirements attached to the use of this general export authorisation and any additional information that the Member State from which the export is made might require on items exported under this general export authorisation are defined by Member States.

A Member State may require exporters resident or established in that Member State to register prior to the first use of this general export authorisation. Without prejudice to Article ~~8~~ 20(1) of Regulation ~~(EC) No 1236/2005~~ (EU) [...], registration shall be automatic and acknowledged by the competent authorities to the exporter without delay and in any case within ten working days of receipt.

Explanatory notes to the form

‘Authorisation for export or import of goods that could be used for torture (Regulation ~~(EC) No 1236/2005~~ (EU) [...])’.

This authorisation form shall be used to issue an authorisation for an export or import of goods in accordance with Regulation ~~(EC) No 1236/2005~~ (EU) [...] of the European Parliament and of the Council ~~concerning trade in certain goods which could be used for capital punishment, torture or other cruel, inhuman or degrading treatment or punishment~~⁵. It should not be used to authorise the supply of technical assistance.

Issuing authority is the authority defined in Article 2(h) of ~~Council~~ Regulation ~~No 1236/2005~~ (EU) [...] which is set out in Annex I to ~~this~~ ☒ that ☒ Regulation.

Authorisations shall be issued on this single page form, which should be printed on both sides. The competent customs office deducts the exported quantities from the total quantity available. It has to make sure that the different items subject to the authorisation are clearly separated for this purpose.

Where national procedures of the Member States require additional copies of the form (as for example for the application) this authorisation form may be included in a form set containing the necessary copies following the national rules applicable. In the box above box 3 of each specimen and in the margin on the left it should be clearly indicated for which purpose (e.g. application, copy for applicant) the relevant copies are intended. One specimen only shall be the authorisation form set out in Annex ~~V~~ VII to Regulation ~~(EC) No 1236/2005~~ (EU) [...].

Box 1:	<i>Applicant:</i>	Please indicate the applicant's name and the full address. The applicant's customs number may also be indicated (optional in most cases). The type of applicant should be indicated (optional) in the relevant box, using the numbers 1, 2 or 4 referring to the points set out in the definition in Article 2(i) of Regulation (EC) No 1236/2005 (EU) [...].
Box 3:	<i>Authorisation No:</i>	Please fill out the number and tick either the export or the import box. ➔ ₁ See Article 2(d) and (e) and Article 18 34 of the Regulation <input checked="" type="checkbox"/> (EU) [...] <input checked="" type="checkbox"/> ⬅ for the definitions of the terms ‘export’ and ‘import’.
Box 4:	<i>Expiry date:</i>	Please state day (two digits), month (two digits) and year (four digits).
Box 5:	<i>Agent/representative:</i>	Please indicate the name of a duly authorised representative or (customs) agent acting on behalf of the applicant, if the application is not presented by the applicant. See also Article 5 18 of Council Regulation (EEC) No 2913/92 (EU) No 952/2013.
