RECOMMENDATION OF THE COUNCIL TO THE EUROPEAN COUNCIL

on the adoption of a decision identifying the strategic objectives of the Union to be pursued through the EU Action Plan on Human Rights and Democracy 2020-2024

ANNEX

THE EUROPEAN COUNCIL

Having regard to the Treaty on European Union, and in particular Article 22, paragraph 1,

Having regard to the recommendation of the Council,

Whereas

- (1) The action of the Union on the international scene should be guided by the principles which have inspired its own creation, development and enlargement, and which it seeks to advance in the wider world: democracy, the rule of law, the universality and indivisibility of human rights and fundamental freedoms, respect for human dignity, the principles of equality and solidarity, and respect for the principles of the United Nations Charter and international law.
- (2) Decisions of the European Council on the strategic interests and objectives of the Union should relate to the Union's common foreign and security policy and to other areas of the Union's external action. Such decisions may concern the relations of the Union with a specific country or region or may be thematic in nature.
- (3) The Action Plan on human rights and democracy proposed by the Commission and the High Representative aims to enhance the Union's leadership in promoting and protecting human rights and democracy worldwide, to set out ambitions, define the priorities for action and implementation, to maximise the Union's role on the global stage by expanding the "human rights toolbox", and to foster a united and joined-up EU by promoting more efficient and coherent action.
- (4) The above objectives will be pursued through five interlinked and mutually reinforcing lines of action:- protecting and empowering individuals; building resilient, inclusive and democratic societies; promoting a global system for human rights and democracy; new technologies: harnessing opportunities and addressing challenges; delivering by working together.
- (5) It is appropriate to approve the Action Plan by a decision of the European Council in order to allow for specific implementing actions by the Union and the Member States.
