(presented by the Commission)

EXPLANATORY MEMORANDUM

In accordance with the terms of Article 6(2) of the Act of Accession of the new EU Member States to the EU, accession of the latter to the Euro-Mediterranean Association Agreement is to be agreed by means of a protocol to that Agreement. The same article provides for a simplified procedure whereby the protocol is to be concluded by the Council, acting unanimously on behalf of the Member States and by the third country concerned. This procedure is without prejudice to the Community's own powers.

On 10 February 2004 the Council approved a mandate for the Commission to negotiate such a protocol with the People's Democratic Republic of Algeria. These negotiations have since been completed to the satisfaction of the Commission. The text of the Protocol was initialled by the Commission and the Algerian authorities on 15 May 2006.

The attached proposals are for (i) a Council Decision on the signing and provisional application of the Protocol and (ii) a Council Decision on the conclusion of the Protocol.

The text of the Protocol negotiated with Algeria is attached. The Protocol is designed primarily to take account of the accession of the new Member States to the EU-Algeria Association Agreement and to include the new official languages of the EU.

The Commission asks the Council to approve the attached draft Council Decisions for the signing and conclusion of the Protocol.

The European Parliament will be called upon to give its assent to this Protocol.
