EXPLANATORY MEMORANDUM

The Euro-Mediterranean Agreement between the European Community and its Member States, of the one part, and Lebanon, of the other part, was signed in Luxembourg on 17 June 2002 and entered into force on 1 April 2006.

According to the terms of Article 6(2) of the Act of Accession of the new EU Member States to the EU, accession of the new EU Member States to the Euro-Mediterranean Association Agreement is to be agreed by means of a protocol to this Agreement. The same article provides for a simplified procedure, whereby the protocol is to be concluded by the Council, acting unanimously on behalf of the Member States, and by the third country concerned. This procedure is without prejudice to the Community's own competences.

On 10 February 2004, the Council approved a mandate for the Commission to negotiate such a protocol with Lebanon. These negotiations have since been completed to the satisfaction of the Commission.

The attached proposals are for (1) a Council Decision on the signature of the Protocol and (2) a Council Decision on the conclusion of the Protocol.

The text of the protocol negotiated with Lebanon is attached. The most important aspects of the protocol are provision for the accession of the new Member States to the EU-Lebanon Association Agreement and inclusion of the new official languages of the EU.

The Commission asks the Council to approve the attached draft Council Decisions for the signature and conclusion of the Protocol.

The European Parliament will be called upon to give its assent to this Protocol.

TRANSITIONAL PROVISIONS

Article 4

Proofs of origin and administrative cooperation

1. Proofs of origin properly issued by either Lebanon or a new Member State under preferential agreements or autonomous arrangements applied between them shall be accepted in the respective countries under this Protocol, provided that:
 - (a) the acquisition of such origin confers preferential tariff treatment on the basis of either the preferential tariff measures contained in the EU-Lebanon Association Agreement or in the Community System of Generalised Preferences;
 - (b) the proof of origin and the transport documents were issued no later than the day before the date of accession;
 - (c) the proof of origin is submitted to the customs authorities within a period of four months from the date of accession.

Where goods were declared for importation in either Lebanon or a new Member State, prior to the date of accession, under preferential agreements or autonomous arrangements applied between Lebanon and that new Member State at that time, proof of origin issued retrospectively under those agreements or arrangements may also be accepted provided that it is submitted to the customs authorities within a period of four months from the date of accession.

2. Lebanon and the new Member States are authorised to retain authorisations granting “approved exporter” status under preferential agreements or autonomous arrangements applied between them, provided that:
 - (a) such provision is also made in the agreement concluded prior to the date of accession between Lebanon and the Community; and
 - (b) the approved exporter applies the rules of origin in force under that agreement.

These authorisations shall be replaced, no later than one year after the date of accession, by new authorisations issued under the conditions of the Agreement.

3. Requests for subsequent verification of proof of origin issued under the preferential agreements or autonomous arrangements referred to in paragraphs 1 and 2 shall be accepted by the competent customs authorities of either Lebanon or the new Member States for a period of three years after the issue of the proof of origin concerned and may be made by those authorities for a period of three years after acceptance of the proof of origin submitted to those authorities in support of an import declaration.

Article 5

Goods in transit

1. The Agreement may be applied to goods, exported either from Lebanon to one of the new Member States or from one of the new Member States to Lebanon, which comply with the provisions of Protocol 4 and which on the date of accession are either en route or in temporary storage, in a customs warehouse or in a free zone in Lebanon or in that new Member State.
2. Preferential treatment may be granted in such cases, subject to the submission to the customs authorities of the importing country, within four months of the date of accession, of proof of origin issued retrospectively by the customs authorities of the exporting country.
