<b>Project Name</b>	<b>Fostering sustainable reintegration in Albania, the Kosovo province and former Yugoslav Republic of Macedonia, by reinforcing local NGO capacity service provision to returnees (2002/HLWG/003)</b>
<b>Location</b>	Albania, the Kosovo province and the former Yugoslav Republic of Macedonia
<b>Implementation period</b>	November 2003 – November 2005
<b>Implementing Partner</b>	IOM
<b>Budget/EC contribution</b>	€700.759,69 / €560.607,76
<b>Funding Programme</b>	B7-667
<b>Responsible DG</b>	JLS
<b>Description</b>	This project focused on new mechanisms and the development of existing ones for return and reintegration through support to local NGOs (service provision and counselling capacities). The IOM offices in Western Europe defined a list of potential returnees and were able to develop a database. The project was then pursued in Albania, Kosovo and former Yugoslav Republic of Macedonia, by workshops for local NGOs. Reintegration services could then be provided: for instance a reintegration package was defined. Another component of the project was the development of different campaigns to raise public awareness of the targeted areas.
