COUNCIL DECISION

on the conclusion of a Protocol to the Euro-Mediterranean Agreement between the European Communities and their Member States, of the one part, and the Hashemite Kingdom of Jordan, of the other part, to take account of the accession of the Republic of Bulgaria and Romania to the European Union

(presented by the Commission)

EXPLANATORY MEMORANDUM

Under the terms of Article 6(2) of the Act of Accession of new Member States to the EU, the accession of the new EU Member States to the Euro-Mediterranean Association Agreement with the Hashemite Kingdom of Jordan is to be agreed by means of a protocol to this Agreement. The same article provides for a simplified procedure, whereby the protocol is to be concluded by the Council, acting unanimously on behalf of the Member States, and by the third country concerned. This procedure is without prejudice to the Community's own competences.

On 23 October 2006 the Council approved a mandate for the Commission to negotiate such a protocol with Jordan to take account of the accession of Bulgaria and Romania on 1 January 2007. During these negotiations it was concluded that no additional trade concessions in agriculture, processed agricultural and fishery products would be added to the existing Association Agreement.

The attached proposals are for (1) a Council Decision on the signature and provisional application of the Protocol and (2) a Council Decision on the conclusion of the Protocol.

The text of the protocol negotiated with Jordan is attached. The most important provision of the protocol concerns the accession of the new Member States to the EU-Jordan Association Agreement and the inclusion of the new official languages of the EU.

The Commission requests the Council to adopt the proposed Council Decisions for the signing and conclusion of the Protocol.

The European Parliament will be called upon to give its assent to the conclusion of this Protocol.

- (2) These negotiations have since been completed to the satisfaction of the Commission.
- (3) Article 8(2) of the Protocol negotiated with Jordan provides for the provisional application of the Protocol before its entry into force.
- (4) Subject to its possible conclusion at a later date, the Protocol should be signed on behalf of the Community and applied provisionally,

CHAPTER TWO: transitional provisions

Article 3 (Proofs of Origin and administrative cooperation)

1. Proofs of origin properly issued by either Jordan or a new Member State in the framework of preferential agreements or autonomous arrangements applied between them shall be accepted in the respective countries under this Protocol, provided that:
 - (a) the acquisition of such origin confers preferential tariff treatment on the basis of the preferential tariff measures contained in this Agreement or in the Community System of Generalised Preferences;
 - (b) the proof of origin and the transport documents were issued no later than the day before the date of accession;

- (c) the proof of origin is submitted to the customs authorities within the period of four months from the date of accession.

Where goods were declared for importation in either Jordan or a new Member State, prior to the date of accession, under preferential agreements or autonomous arrangements applied between Jordan and that new Member State at that time, proof of origin issued retrospectively under those agreements or arrangements may also be accepted, provided that it is submitted to the customs authorities within the period of four months from the date of accession.

- 2. Jordan and the new Member States are authorised to retain the authorisations with which the status of “approved exporters” has been granted in the framework of preferential agreements or autonomous arrangements applied between them, provided that:
 - (a) this is also provided for in the agreement concluded between Jordan and the Community prior to the date of accession; and
 - (b) the approved exporters apply the rules of origin in force under that agreement.

These authorisations shall be replaced no later than one year after the date of accession, by new authorisations issued under the terms of the Agreement.

- 3. Requests for subsequent verification of proof of origin issued under the preferential agreements or autonomous arrangements referred to in paragraphs 1 and 2 above can be presented by the competent customs authorities of either Jordan or the new Member States and shall be accepted by those authorities for a period of three years after issue of the proof of origin concerned.

Article 4 (Goods in transit)

- 1. The provisions of the Agreement may be applied to goods exported either from Jordan to one of the new Member States or from one of the new Member States to Jordan, which comply with the provisions of Protocol 3 and, on the date of accession, are either en route or in temporary storage, in a customs warehouse or in a free zone in Jordan or in that new Member State.
- 2. Preferential treatment may be granted in such cases, subject to the submission to the customs authorities of the importing country, within four months of the date of accession, of proof of origin issued retrospectively by the customs authorities of the exporting country.
