COMMISSION OF THE EUROPEAN COMMUNITIES

Brussels, 17.11.2008
COM(2008) 749 final

2008/0212 (AVC)

Proposal for a

COUNCIL DECISION

concerning the conclusion of the additional protocol to the Agreement on Trade, Development and Cooperation between the European Community and its Member States, of the one part, and the Republic of South Africa, of the other part, to take account of the accession of the Republic of Bulgaria and Romania to the European Union

(presented by the Commission)

EXPLANATORY MEMORANDUM

Two new Member States acceded to the European Union on 1 January 2007. Under Article 6(2) of the Act concerning the Accession of the Republic of Bulgaria and Romania and the adjustment of the Treaties on which the European Union is founded (hereinafter the ‘Act of Accession’), the accession of the new Member States to the Agreement on Trade, Development and Cooperation (TDCA) with the Republic of South Africa must be approved by concluding a protocol to that Agreement. Article 6(2) provides for a simplified procedure whereby such protocols are to be concluded by the Council of the European Union, acting unanimously on behalf of the Member States, and the third country concerned. This procedure is without prejudice to the European Community’s own competences.

Consequently, the Commission has negotiated this Additional Protocol, for the EC part on behalf of the European Community and for the national competence part on behalf of the Member States, on the basis of the negotiating directives adopted by the Council on 23 October 2006, and in consultation with a committee of representatives of the Member States.

The Additional Protocol provides for the necessary technical adaptations of the TDCA ensuing from the accession of the new contracting parties, in particular regarding:

- Institutional provisions: the protocol includes a number of adjustments brought about by the accession of the new Member States to this mixed agreement and an increase in the number of official languages.
- Rules of origin: the multilingual provisions in Protocol 1 to the TDCA concerning the definition of the concept of “originating products” and methods of administrative cooperation have been amended to include the languages of the new Member States.

The TDCA provides for trade liberalisation between the European Community and the Republic of South Africa, which in some cases is limited to tariff quotas. These tariff quotas have been reviewed on the basis of traditional trade between the new Member States, on the one hand, and the Republic of South Africa, on the other. Trade flows were found to be insignificant and no adjustments to the tariff quotas were required.

The Protocol as set out above has been negotiated and agreed with the Republic of South Africa.

On 9 October 2007 the Council adopted a decision on the signing and provisional application of the protocol. The current proposal is for a Council Decision concluding the protocol.

The Commission therefore recommends that the Council adopts the attached decision.

Proposal for a

COUNCIL DECISION

concerning the conclusion of the additional protocol to the Agreement on Trade, Development and Cooperation between the European Community and its Member States, of the one part, and the Republic of South Africa, of the other part, to take account of the accession of the Republic of Bulgaria and Romania to the European Union

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article 310, in conjunction with the second sentence of Article 300(2), first subparagraph, and the second subparagraph of Article 300(3) thereof,

Having regard to the 2006 Act of Accession, and in particular Article 6(2) thereof,

Having regard to the assent of the European Parliament¹,

Having regard to the proposal from the Commission,

Whereas:

- (1) The Additional Protocol to the Agreement on Trade, Development and Cooperation between the European Community and its Member States, of the one part, and the Republic of South Africa, of the other part, to take account of the accession of the Republic of Bulgaria and Romania to the European Union, was signed on behalf of the Community and the Member States on 10 October 2007 in accordance with Council Decision 2008/74/EC of 9 October 2007 on the signing and provisional application of an Additional Protocol to the Agreement on Trade, Development and Cooperation between the European Community and its Member States, of the one part, and the Republic of South Africa, of the other part, to take account of the accession of the Republic of Bulgaria and Romania to the European Union².
- (2) The Additional Protocol should be approved,

¹ Assent given on xxxxxxxx
² OJ L 22, 25.01.2008.

HAS DECIDED AS FOLLOWS:

The text of the Additional Protocol is annexed to this Decision.

Article 2

The President of the Council is hereby authorised to designate the person empowered to deposit on behalf of the European Community the act of approval provided for in Article 6.2 of the Additional Protocol, in order to express the consent of the Community to be bound.
